Re: STL Tesina Writing Adviser

Dear _____,

_____ has asked to have you as adviser to fulfill his/her thesis requirement for the STL Program (LST Student Handbook, no. 061). We are sending this form through the student to allow both of you to have some preliminary discussion on the feasibility of the project(s).

Would you be so kind as to fill out the response slip and submit it to the Assistant to the Dean. Thank you in advance for your cooperation.
